

# **Independence High School Royals**

*2017 National Champions*  
*Ranked "Best of the Best" at the*  
*2017 National Championship*

Dear Community Business Owner and Leader,

Good morning!

Independence High School is home to the award-winning Independence Royals drill team. The team performs regularly at football games, basketball games and pep rallies. They also attend competitions, march in local parades, and are involved in community events.

The drill team will end this season with a spectacular showcase of dance at the Independence High School Performing Arts Center. Over 100 students are involved in this particular event that covers two evenings. This year's performances will be held April 13th and 14th.

You can take part in this fabulous experience! Advertising in the dance program will not only highlight your business, but will show support of the arts, the Independence Royals, Independence High School, and your community to an expected audience of 1200 guests. This is a very inexpensive way to advertise your business and support the extremely hard-working Royals of Independence High School.

A variety of ad sizes are offered to meet your needs and budget! Our ad order form with pricing is attached.

The Independence Royals have practiced hundreds of hours to make this showcase fabulous, but every team relies on their supporters, especially the support of local businesses. We sincerely hope you will join our support team by purchasing an ad in our program.

Sincerely,

The Independence HS Royals Booster Club
